This roster is intended as a guide only.

If you can offer to fill any of the positions, please inform the VK7 Regional News and Broadcast Coordinator (6223 1351 or email justingc@ozemail.com.au) for that date. This particularly applies where blanks appear but is not restricted to just the blanks.

Please note we have designs for patch boxes and can even make one up for you if necessary. As you can see from the roster above you would only have to do it once a month and it only involves taking callbacks and reporting them to the Newsreader.

If a News reader is unavailable then please contact VK7 Regional News and Broadcast Coordinator as soon as possible (6223 1351 or email justingc@ozemail.com.au).

If a Rebroadcast operator is unavailable then it is their responsibility to find an alternate and inform the News Reader prior to the broadcast.
